90 years strong and still under attack.

Republicans would rather write checks to billionaires than protect this vital source of income for millions of families.

We refuse to stay silent. This is about people over profit. It's time to Protect Our Checks.

<p>90 years of Social Security – because every person deserves dignity, not desperation.</p> <p>It's not a handout, it's a lifeline. Without it, 73 million people would be at risk. Making it harder to pay rent, buy groceries, put kids through school, and just get by.</p> <p>Republicans in Congress want to take that lifeline away, while giving billionaires another tax giveaway.</p> <p>But we're organizing to protect what's ours. We can't let them win – we must Protect Our Checks. Join us.</p> <p>[ProtectOurChecks.org]</p>	 <p>Download here</p>

Republicans want you to believe Social Security is “too expensive.” But millions of dollars for billionaire and corporate tax breaks? No problem!

Let’s get one thing straight: Social Security is earned, not gifted.
And we won’t let them gamble with our futures.

Join the fight to Protect Our Checks.
